

## WEBSITE LISTING FORM

Friends For Life is a relatively small organization and we are unable to accept every unwanted animal in the community into our foster programs. We are, however, committed to helping find responsible homes for all animals, not just the ones in our care. To that end, we have created a web page dedicated to listing dogs and cats who need new homes. If you would like your dog or cat listed on the page, please complete the following information and return it to us along with at least one clear color photograph of the animal. You may also send this form back by email with digital photographs to [matchmaker@dogrescuers.org](mailto:matchmaker@dogrescuers.org). Please complete a form for each animal.
